## **Yoga Class Remote Teaching Disclaimer**

This class is a beginner/intermediate level and is suitable for all fitness levels. To take part in this class you will need a yoga mat (or something similar), a block and belt if you have them would also be useful (cushions, folded blankets and scarves can be used instead) and some water to hand to make sure you stay hydrated.

You are about to take part in a class which will be live streamed to a restricted number of participants. During the class, you (or anyone else who comes into the frame, including children) may be visible to other participants. Please switch off your video if you do not wish to be seen by other participants or may disturb or be disturbed during the class by other people.

### **IMPORTANT NOTICE**

Although there are tremendous benefits to overall health and wellbeing, yoga can be physically challenging and carries with it risks that cannot entirely be eliminated. These include the risk of personal injury, or the exacerbation of existing injuries or conditions, or damage to property around you during your participation. Please note that although you may appear on video link during the live stream of the class, the instructor may not be able to see you clearly or instruct you individually as is possible in a face to face teaching scenario.

### **Participant Rules:**
